

MOTION BY SUPERVISOR DON KNABE

June 16, 2009

Mayors, police chiefs and fire chiefs of all 88 cities have been invited to join County officials on Friday, June 12th at a 10:00 a.m. press conference at the Hahn Hall of Administration to urge the State not to cut public safety funding. This is a critical issue to the cities and the County.

I, THEREFORE, MOVE that the Board of Supervisors waive the parking fees at the Music Center on June 12th for those participating in this important press conference.
